Limitation of liability

If the Boiler is tightly fitted or required to be pulled out of its position, We cannot be held responsible for any damage to the surroundings and/or the Boiler. You should advise Us during the initial call if You think this may be the case so We can discuss with You whether a Boiler service may be possible. You must provide adequate free parking for the engineer with good and safe access to Your property. Our engineers must have good and safe accessibility to the Boiler. If Your Boiler does not have good or safe accessibility, We reserve the right to cancel the Boiler service and You will not receive a refund.
